Organizational and communication skills

I'm always paying attention to deadlines and I'm very organized. I'm not the one who usually says "we have a couple of days more". I know how to prioritize and organize my tasks. I'm always trying to make my work better and I'm very responsible.

I'm a fast learner who is always open to new challenges and I'm open to criticism. I'm always trying to improve my skills and I can easily adapt to new situations.
